IN-CAR BACKSEAT TABLET HOLDER "PILOT"

Description

IN-CAR BACKSEAT TABLET HOLDER

Easy to install, the "Pilot" for tablet allows you to turn the car headrest into a multimedia entertainment system, in order to delight your passengers during long trips. Fits onto the base of any headrest, thanks to a safe, practical latch system which needs no tools for installation and adjustment.

Technical

Easy installation. No tool needed
Can be adjusted for 360 degrees viewing
Suitable for tablets with display up to 10 inches
